III-4] Promote hygiene in the workplace

Suppliers are requested to grasp the condition in the workplace related with biological and chemical harms, noise, and odor, which are harmful to health, and to provide appropriate measures.

A. Please self-check your actual status for the following questions..

A-1. Do you practice appropriate evaluation of potential risks of hygiene such as biological and chemical harms, noises, and odor? (Pls. Select)

A-2. Do you practice appropriate controls to avoid negligence of necessary hygiene measures in workplace? (Pls. Select)

[Evaluation Guide] (*Violation herein means not only legal violation but also deviation from social disciplines*)

(5) = No violation/problem is confirmed by periodical record-check and risk evaluation.

(3) = No violation is reported as far as we grasp, no check or risk evaluation were performed.

(1) = Big violation is identified or the actual condition/status is not grasped.

B. Please provide relevant information when your company corresponds to the cases below.

- Violation is identified in the past for 2 years if is applied.

- Improving plan for sustainability program.

(Pls fill in)

III-5] Promote health maintenance programs for employees

Suppliers are requested to provide appropriate health maintenance programs for all employees.

A. Please self-check your actual status for the following questions..

A-1. Do you have appropriate health maintenance programs for employees such as a medical checkup? (Pls. select)

A-2. Do you practice necessary actions such as assignment of company doctors and/or medical equipment? (Pls. select)

[Evaluation Guide] (*Violation herein means not only legal violation but also deviation from social disciplines*)

(5) = No violation/problem is confirmed by periodical investigation and data/log check.

(3) = No violation is reported as far as we grasp, no investigation or data/log check were performed.

(1) = Big violation is identified or the actual condition/status is not grasped.

B. Please provide relevant information when your company corresponds to the cases below.

- Violation is identified in the past for 2 years if is applied.

- Improving plan for sustainability program.

(Pls fill in)

IV Environment

IV-1] Establish and apply an environment management system

Suppliers are requested to establish and implement an environmental management system.

A. Please self-check your actual status for the following questions..

A-1. Do you establish and implement an environmental management system? (Pls. select)

[Evaluation Guide]

(5) = The 3rd party certification (ex. ISO14001) is obtained for more than 3 consecutive years?.

(3) = ISO14001 or an equivalent environment management system is established and implemented.

(1) = Environment management system is not established yet.

B. Please provide relevant information when your company corresponds to the cases below.

- In the case that ISO certificate has been cancelled: Reasons for cancellation.

- In the case that ISO certificate has been awarded: Name of conferment organization.

(Pls fill in)

[IV-2] Control hazardous chemicals in manufacturing

Suppliers are requested to control chemical substances (used in manufacturing processes) defined by local laws and regulations.

A. Please self-check your actual status for the following questions..

- A-1. Do you practice appropriate controls that are specified by the law when you use hazardous chemicals? (Pls. select)
- A-2. Do you practice appropriate controls to avoid negligence of necessary procedure such as reporting to the government?(Pls. select)
- [Evaluation Guide] (*Violation herein means not only legal violation but also deviation from social disciplines*)
- (5) = No violation/problem is confirmed by periodical investigation and data/log check.
- (3) = No violation is reported as far as we grasp, no investigation or data/log check were performed.
- (1) = Big violation is identified or the actual condition/status is not grasped.

B. Please provide relevant information when your company corresponds to the cases below.

- Violation is identified in the past for 2 years if is applied.
- Improving plan for sustainability program.

(Pls fill in)

[IV -3] Obtain government permits

Suppliers are requested to obtain necessary environmental permits defined by local laws and regulations, and to submit necessary reports to the government.

B. Please self-check your actual status for the following questions..

- A-1. Do you practice appropriate controls to avoid negligence of necessary notifications to government for facility/ equipment/ work that are specified by laws? (Pls. select)
- A-2. Do you practice appropriate controls to avoid negligence of assignment of responsible officers who have legally-defined qualifications? (Pls. select)

[Evaluation Guide] (*Violation herein means not only legal violation but also deviation from social disciplines*)

- (5) = No violation/problem is confirmed by periodical investigation and audit.
- (3) = No violation is reported as far as we grasp, no investigation or audit were performed.
- (1) = Big violation is identified or the actual condition/status is not grasped.

B. Please provide relevant information when your company corresponds to the cases below.

- Violation is identified in the past for 2 years if is applied.
- Improving plan for sustainability program.

(Pls fill in)

[IV -4] Minimize environmental pollution (water, soil, air)

Suppliers are requested to be in compliance with local laws and regulations of drainage, sludge and air emissions, and to improve such environmental pollution and Greenhouse Gas reduction by voluntary criteria as needed.

A. Please self-check your actual status for the following questions.

- A-1. Do you practice appropriate controls with respect to amount of Chemical Oxygen Demand (COD) of drainage and air emissions of sulfur dioxide? (Pls. select)

[Evaluation Guide] (*Violation herein means not only legal violation but also deviation from social disciplines*)

- (5) = No violation/problem is confirmed by periodical record-check and physical investigation.
- (3) = No violation is reported as far as we grasp, no check or investigation were performed.
- (1) = Big violation is identified or the actual condition/status is not grasped.

- A-2. Do you promote reduction programs to reduce greenhouse gas impacts such as carbon dioxide, methane, nitrogen dioxide, Chlorofluorocarbon-Replacing Material? (Pls. select)

[Evaluation Guide]

- (5) = Pioneer programs are implemented positively towards a very high goal.
- (3) = Ordinal programs are implemented.
- (1) = No or few programs are implemented.

B. Please provide relevant information when your company corresponds to the cases below.

- Violation is identified in the past for 2 years if is applied.
- Improving plan for sustainability program.

(Pls. fill in)

[IV-5] Promote waste reduction

Suppliers are requested to define a voluntary goal of the eventual waste reduction, and to implement continuous activities for further reduction.

A. Please self-check your actual status for the following questions.

A-1. Do you promote reduction programs to reduce such as waste treatment by incineration facilities? (Pls. select)

[Evaluation Guide]

(5) = Continuous activities programs are implemented positively towards a very high goal.

(3) = Ordinal programs are implemented.

(1) = No or few programs are implemented.

B. Please provide relevant information when your company corresponds to the cases below.

- Improving plan for sustainability program.

(Pls. fill in)

[IV-6] Promote resource and energy saving by reusing, reducing, and recycling (3R)

Suppliers are requested to define a voluntary goal of natural resources and energy saving, and to implement continuous activities for efficient usage.

A. Please self-check your actual status for the following questions..

A-1. Do you promote resource saving programs? (Pls. Select)

A-2. Do you promote energy saving programs? (Pls. Select)

[Evaluation Guide]

(5) = Pioneer programs are implemented positively towards a very high goal.

(3) = Ordinal programs are implemented.

(1) = No or few programs are implemented.

B. Please provide relevant information when your company corresponds to the cases below.

- Improving plan for sustainability program.

(Pls. fill in)

V Product Quality and Safety

[V-1] Establish and apply a quality management system

Suppliers are requested to establish and implement a quality management system.

A. Please self-check your actual status for the following questions..

A-1. Do you establish and implement a quality management system? (Pls. Select)

[Evaluation Guide]

(5) = The 3rd party certification (ex. ISO9001) is obtained more than 3 years consequently.

(3) = ISO9001 or an equivalent quality management system is established and implemented.

(1) = Quality management system is not established yet.

B. Please provide relevant information when your company corresponds to the cases below.

- In the case that ISO certificate has been cancelled: Reasons for cancellation.

- In the case that ISO certificate has been awarded: Name of conferment organization.
