Standards, methodologies, assumptions, and/or calculation tools used. 	Sumika Sustainable Solutions
303:\	Vater		
303-1	Water withdrawal by source	 a. Total volume of water withdrawn, with a breakdown by the following sources: i. Surface water, including water from wetlands, rivers, lakes, and oceans; ii. Ground water; iii. Rainwater collected directly and stored by the organization iv.Waste water from another organization; v. Municipal water supplies or other public or private water utilities. b. Standards, methodologies, and assumptions used. 	Responsible Care Activities (Environmental Protection / Climate Change Action) Calculation Standards for Environmental and Social Data Indicators
303-2	Water sources significantly affected by withdrawal of water	 a. Total number of water sources significantly affected by withdrawal by type: i. Size of the water source; ii. Whether the source is designated as a nationally or internationally protected area; iii. Biodiversity value (such as species diversity and endemism, and total number of protected species); iv. Value or importance of the water source to local communities and indigenous peoples. b. Standards, methodologies, and assumptions used. 	_
303-3	Water recycled and reused	 a. Total volume of water recycled and reused by the organization. b. Total volume of water recycled and reused as a percentage of the total water withdrawal as specified in Disclosure 303-1. c. Standards, methodologies, and assumptions used. 	_

NO.	Disclosure	Reporting requirements	2018 Applicable item
304 : B	Biodiversity		
304-1	Operational sites owned, leased, managed in, or adjacent to, protected areas and areas of high biodiversity	a. For each operational site owned, leased, managed in, or adjacent to, protected areas and areas of high biodiversity value outside protected areas, the following information:	_
	value outside protected areas	 i. Geographic location; ii. Subsurface and underground land that may be owned, leased, or managed by the organization; 	
		iii. Position in relation to the protected area (in the area, adjacent to, or containing portions of the protected area) or the high biodiversity value area outside	
		protected areas; iv. Type of operation (office, manufacturing or production, or extractive); v. Size of operational site in km2 (or another unit, if appropriate)	
		vi. Biodiversity value characterized by the attribute of the protected area or area of high biodiversity value outside the protected area (terrestrial, freshwater, or maritime ecosystem);	
		vii. Biodiversity value characterized by listing of protected status (such as IUCN Protected Area Management Categories, Ramsar Convention, national legislation).	
304-2	Significant impacts of activities, products, and services on biodiversity	a. Nature of significant direct and indirect impacts on biodiversity with reference to one or more of the following:	_
		 i. Construction or use of manufacturing plants, mines, and transport infrastructure; ii. Pollution (introduction of substances that do not naturally occur in the habitat from point and non-point sources); 	
		iii. Introduction of invasive species, pests, and pathogens; iv.Reduction of species;	
		v. Habitat conversion; vi. Changes in ecological processes outside the natural range of variation (such as	
		salinity or changes in groundwater level). b. Significant direct and indirect positive and negative impacts with reference to the following:	
		i. Species affected; ii. Extent of areas impacted;	
		iii. Duration of impacts;	
304-3	Habitats protected or restored	iv. Reversibility or irreversibility of the impacts.a. Size and location of all habitat areas protected or restored, and whether the success of	_
	Traditate protected or restored	the restoration measure was or is approved by independent external professionals.	
		b. Whether partnerships exist with third parties to protect or restore habitat areas	
		distinct from where the organization has overseen and implemented restoration	
		or protection measures. c. Status of each area based on its condition at the close of the reporting period.	
204.4	THOM Bod List species and national	d. Standards, methodologies, and assumptions used.	
304-4	IUCN Red List species and national conservation list species with habitats	a. Total number of IUCN Red List species and national conservation list species with habitats in areas affected by the operations of the organization, by level of extinction	_
	in areas affected by operations	risk:	
	in areas arrected by operations	i. Critically endangered (CR) ii. Endangered (EN)	
		iii . Vulnerable (VU) iv. Near threatened (NT) v.Least concern	
305 : E	missions		
305-1	Direct (Scope 1) GHG emissions	a. Gross direct (Scope 1) GHG emissions in metric tons of CO2 equivalent.	Responsible Care Activities (Environmental Protection /
		b. Gases included in the calculation; whether CO2, CH4, N2O, HFCs, PFCs, SF6, NF3, or all.	Climate Change Action) Calculation Standards for Environmental and Social Data
		c. Biogenic CO2 emissions in metric tons of CO2 equivalent.	Indicators
		 d. Base year for the calculation, if applicable, including: i. the rationale for choosing it; ii. emissions in the base year; iii. the context for any significant changes in emissions that triggered recalculations of 	
		iii. the context for any significant changes in emissions that triggered recalculations of base year emissions.e. Source of the emission factors and the global warming potential (GWP) rates used,	
		or a reference to the GWP source. f. Consolidation approach for emissions; whether equity share, financial control,	
		or operational control. g. Standards, methodologies, assumptions, and/or calculation tools used.	

NO.	Disclosure	Reporting requirements	2018 Applicable item
305-2	Energy indirect (Scope 2) GHG emissions	a. Gross location-based energy indirect (Scope 2) GHG emissions in metric tons of CO2	Responsible Care Activities
		equivalent. b. If applicable, gross market-based energy indirect (Scope 2) GHG emissions in metric tons of CO2 equivalent.	(Environmental Protection / Climate Change Action) Calculation Standards for Environmental and Social Data Indicators
		c. If available, the gases included in the calculation; whether CO2, CH4, N2O, HFCs, PFCs, SF6, NF3, or all. d. Base year for the calculation, if applicable, including:	
		i. the rationale for choosing it; ii. emissions in the base year; iii. the context for any significant changes in emissions that triggered recalculations of	
		base year emissions. e. Source of the emission factors and the global warming potential (GWP) rates used, or a reference to the GWP source.	
		f. Consolidation approach for emissions; whether equity share, financial control, or operational control.	
		g. Standards, methodologies, assumptions, and/or calculation tools used.	
305-3	Other indirect (Scope 3) GHG emissions	a. Gross other indirect (Scope 3) GHG emissions in metric tons of CO2 equivalent.	Responsible Care Activities (Environmental Protection /
		b.If available, the gases included in the calculation; whether CO2, CH4, N2O, HFCs, PFCs, SF6, NF3, or all. c. Biogenic CO2 emissions in metric tons of CO2 equivalent.	Climate Change Action)
		d. Other indirect (Scope 3) GHG emissions categories and activities included in the calculation.	
		e. Base year for the calculation, if applicable, including: i. the rationale for choosing it;	
		ii. emissions in the base year; iii. the context for any significant changes in emissions that triggered recalculations	
		of base year emissions. f. Source of the emission factors and the global warming potential (GWP) rates used, or a reference to the GWP source.	
		g. Standards, methodologies, assumptions, and/or calculation tools used.	
305-4	GHG emissions intensity	a. GHG emissions intensity ratio for the organization.	Responsible Care Activities
		b. Organization-specific metric (the denominator) chosen to calculate the ratio.	(Environmental Protection /
		c. Types of GHG emissions included in the intensity ratio; whether direct (Scope 1),	Climate Change Action)
		energy indirect (Scope 2), and/or other indirect (Scope 3). d. Gases included in the calculation; whether CO2, CH4, N2O, HFCs, PFCs, SF6, NF3,	<u>Calculation Standards for</u> Environmental and Social Data
		or all.	Indicators
305-5	Reduction of GHG emissions	a. GHG emissions reduced as a direct result of reduction initiatives, in metric tons of	Responsible Care Activities
		CO2 equivalent.	(Environmental Protection / Climate Change Action)
		b. Gases included in the calculation; whether CO2, CH4, N2O, HFCs, PFCs, SF6, NF3, or all.	<u>Calculation Standards for</u> <u>Environmental and Social Data</u> Indicators
		c. Base year or baseline, including the rationale for choosing it.	Titulcators
		d. Scopes in which reductions took place; whether direct (Scope 1), energy indirect	
		(Scope 2), and/or other indirect (Scope 3). e. Standards, methodologies, assumptions, and/or calculation tools used.	
305-6	Emissions of ozone-depleting substances (ODS)	a. Production, imports, and exports of ODS in metric tons of CFC-11 (trichlorofluoromethane) equivalent.	Responsible Care Activities (Environmental Protection /
		b. Substances included in the calculation.	Climate Change Action)
		c. Source of the emission factors used.	
		d. Standards, methodologies, assumptions, and/or calculation tools used.	
305-7		a. Significant air emissions, in kilograms or multiples, for each of the following:	Responsible Care Activities
	and other significant air emissions	i. NOx	(Environmental Protection / Climate Change Action)
		ii. SOx iii. Persistent organic pollutants (POP)	Responsible Care Activities:
		iv. Volatile organic compounds (VOC)	Supplementary Data
		v. Hazardous air pollutants (HAP)	Calculation Standards for
		vi. Particulate matter (PM)	Environmental and Social Data Indicators
		vii. Other standard categories of air emissions identified in relevant regulations b. Source of the emission factors used.	
		c. Standards, methodologies, assumptions, and/or calculation tools used.	
306 : E	ffluents and Waste		
306-1	Water discharge by quality	a. Total volume of planned and unplanned water discharges by:	Responsible Care Activities
	and destination	i. destination;	(Environmental Protection / Climate Change Action)
		ii. quality of the water, including treatment method;	Responsible Care Activities:
		iii. whether the water was reused by another organization.	Supplementary Data Calculation Standards for Environmental and Social Data
		b. Standards, methodologies, and assumptions used.	Indicators
	<u> </u>		

NO.	Disclosure	Reporting requirements	2018 Applicable item
306-2	Waste by type and disposal method	a. Total weight of hazardous waste, with a breakdown by the following disposal	Responsible Care Activities:
		methods where applicable:	<u>Supplementary Data</u>
		i. Reuse ii. Recycling	
		iii.Composting	
		iv. Recovery, including energy recovery v. Incineration (mass burn)	
		vi. Deep well injection	
		vii. Landfill	
		viii. On-site storage ix. Other (to be specified by the organization)	
		b. Total weight of non-hazardous waste, with a breakdown by the following disposal	
		methods where applicable:	
		i. Reuse ii. Recycling	
		iii. Composting	
		iv. Recovery, including energy recovery v. Incineration (mass burn)	
		vi. Deep well injection	
		vii. Landfill	
		viii. On-site storage ix. Other (to be specified by the organization)	
		c. How the waste disposal method has been determined:	
		i. Disposed of directly by the organization, or otherwise directly confirmed	
		ii. Information provided by the waste disposal contractor	
306-3	Significant spills	iii. Organizational defaults of the waste disposal contractor a. Total number and total volume of recorded significant spills.	Responsible Care Activities
			(Environmental Protection /
			Climate Change Action)
		b.The following additional information for each spill that was reported in the	
		organization's financial statements: i. Location of spill;	
		ii. Volume of spill;	
		iii. Material of spill, categorized by: oil spills (soil or water surfaces), fuel spills (soil	
		or water surfaces), spills of wastes (soil or water surfaces), spills of chemicals (mostly soil or water surfaces), and other (to be specified by the organization).	
		c. Impacts of significant spills.	
306-4	Transport of hazardous waste	a. Total weight for each of the following:i. Hazardous waste transported	_
		ii. Hazardous waste imported	
		iii. Hazardous waste exported	
		iv. Hazardous waste treated b. Percentage of hazardous waste shipped internationally	
		c. Standards, methodologies, and assumptions used.	
306-5	Water bodies affected by water discharges		_
	and/or runoff	and/or runoff, including information on:	
		i. the size of the water body and related habitat;ii. whether the water body and related habitat is designated as a nationally	
		or internationally protected area;	
		iii. the biodiversity value, such as total number of protected species.	
307 : E	Non-compliance with environmental laws	a. Significant fines and non-monetary sanctions for non-compliance with environmental	Responsible Care Activities
50/-1	and regulations	laws and/or regulations in terms of:	(Environmental Protection /
		i. total monetary value of significant fines;	Climate Change Action)
		ii. total number of non-monetary sanctions;	
		iii. cases brought through dispute resolution mechanisms.b. If the organization has not identified any non-compliance with environmental laws	
		and/or regulations, a brief statement of this fact is sufficient.	
308 : S	upplier Environmental Assessment		
308-1	New suppliers that were screened	a. Percentage of new suppliers that were screened using environmental criteria.	Social Activities (Hand in Hand
	using environmental criteria		with Business Partners)
308-2	Negative environmental impacts in the supply chain and actions taken	a. Number of suppliers assessed for environmental impacts.	Social Activities (Hand in Hand with Business Partners)
		b. Number of suppliers identified as having significant actual and potential negative	
		environmental impacts. c. Significant actual and potential negative environmental impacts identified in the	
		supply chain.	
		d. Percentage of suppliers identified as having significant actual and potential negative	
		environmental impacts with which improvements were agreed upon as a result of assessment.	
		e. Percentage of suppliers identified as having significant actual and potential negative	
		environmental impacts with which relationships were terminated as a result of	
		assessment, and why.

SOCIA	Ĺ		
401 : E	Employment		
401-1	New employee hires and employee turnover	a. Total number and rate of new employee hires during the reporting period, by age group, gender and region.b. Total number and rate of employee turnover during the reporting period, by age	Social Activities: Supplementary Data (Information on employees)
401-2	Benefits provided to full-time employees that are not provided to temporary or part-time employees	group, gender and region. a. Benefits which are standard for full-time employees of the organization but are not provided to temporary or part-time employees, by significant locations of operation. These include, as a minimum: i. life insurance; ii. health care; iii. disability and invalidity coverage; iv. parental leave;	Social Activities (Hand in Hand with Employees Diversity Initiatives)
401-3	Parental leave	v. retirement provision; vi. stock ownership; vii. others. b. The definition used for 'significant locations of operation'. a. Total number of employees that were entitled to parental leave, by gender. b. Total number of employees that took parental leave, by gender. c. Total number of employees that returned to work in the reporting period after parental d. Total number of employees that returned to work after parental leave ended that were still employed 12 months after their return to work, by gender. e. Return to work and retention rates of employees that took parental leave, by gender.	Social Activities (Hand in Hand with Employees Diversity Initiatives)
402 : L	_abor/Management Relations		
402-1	Minimum notice periods regarding operational changes	a. Minimum number of weeks' notice typically provided to employees and their representatives prior to the implementation of significant operational changes that could substantially affect them.b. For organizations with collective bargaining agreements, report whether the notice period and provisions for consultation and negotiation are specified in collective agreements.	
403:0	Occupational Health and Safety		
403-1	Workers representation in formal joint management–worker health and safety committees	a. The level at which each formal joint management-worker health and safety committee typically operates within the organization.	Social Activities (Hand in Hand with Employees)
		b. Percentage of workers whose work, or workplace, is controlled by the organization, that are represented by formal joint management-worker health and safety committees.	
403-2	Types of injury and rates of injury, occupational diseases, lost days, and absenteeism, and number of work-related fatalities	 a. Types of injury, injury rate (IR), occupational disease rate (ODR), lost day rate (LDR), absentee rate (AR), and work-related fatalities, for all employees, with a breakdown by: region; gender. b. Types of injury, injury rate (IR), and work-related fatalities, for all workers (excluding employees) whose work, or workplace, is controlled by the organization, with a breakdown by: region; gender. c. The system of rules applied in recording and reporting accident statistics. 	Responsible Care Activities (Occupational Safety and Health Judistrial Safety and Disaster Prevention)
403-3	Workers with high incidence or high risk of diseases related to their occupation	Whether there are workers whose work, or workplace, is controlled by the organization, involved in occupational activities who have a high incidence or high risk of specific diseases.	Responsible Care Activities (Occupational Safety and Health , Industrial Safety and Disaster Prevention)
403-4	Health and safety topics covered in formal agreements with trade unions	a. Whether formal agreements (either local or global) with trade unions cover health and safety.b.If so, the extent, as a percentage, to which various health and safety topics are covered by these agreements.	Social Activities (Hand in Hand with Employees)
404:1	Training and Education		
404-1	Average hours of training per year per employee	 a. Average hours of training that the organization's employees have undertaken during the reporting period, by: i. gender; ii. employee sategory 	Social Activities (Hand in Hand with Employees)
404-2	Programs for upgrading employee skills and transition assistance programs	 ii. employee category. a. Type and scope of programs implemented and assistance provided to upgrade employee skills. b. Transition assistance programs provided to facilitate continued employability and the management of career endings resulting from retirement or termination of mployment. 	Social Activities (Hand in Hand with Employees)
404-3	Percentage of employees receiving regular performance and career development reviews	a. Percentage of total employees by gender and by employee category who received a regular performance and career development review during the reporting period.	Social Activities (Hand in Hand with Employees)

	Diversity and Equal Opportunity		
405-1	Diversity of governance bodies and employees	a. Percentage of individuals within the organization's governance bodies in each of the following diversity categories:	Social Activities: Supplementary Data (Information on employees)
		 i. Gender; ii. Age group: under 30 years old, 30-50 years old, over 50 years old; iii. Other indicators of diversity where relevant (such as minority or vulnerable roups). b. Percentage of employees per employee category in each of the following diversity 	Value Creation Platform (Annual Reports P80-89)
		categories: i. Gender;	Keports 1 00 0 0 7
		ii. Age group: under 30 years old, 30-50 years old, over 50 years old;iii. Other indicators of diversity where relevant (such as minority or vulnerable groups).	
05-2	Ratio of basic salary and remuneration of women to men	a. Ratio of the basic salary and remuneration of women to men for each employee category, by significant locations of operation. b. The definition used for 'significant locations of operation'.	Social Activities: Supplementary Data (Information on employees)
106 : N	Non-discrimination	b. The definition used for significant locations of operation.	
06-1	Incidents of discrimination	a. Total number of incidents of discrimination during the reporting period.	_
	and corrective actions taken	 b. Status of the incidents and actions taken with reference to the following: i. Incident reviewed by the organization; ii. Remediation plans being implemented; iii. Remediation plans that have been implemented, with results reviewed through routine internal management review processes; 	
		iv. Incident no longer subject to action.	
	reedom of Association and Collecti		
407-1	to freedom of association and collective bargaining may be at risk	 a. Operations and suppliers in which workers' rights to exercise freedom of association or collective bargaining may be violated or at significant risk either in terms of: i. type of operation (such as manufacturing plant) and supplier; ii. type of operation (such as manufacturing plant) 	_
400 . 0		ii. countries or geographic areas with operations and suppliers considered at risk.b. Measures taken by the organization in the reporting period intended to support rights to exercise freedom of association and collective bargaining.	
108 : C	Operations and suppliers at significant risk	a.Operations and suppliers considered to have significant risk for incidents of:	Compliance (Annual Reports p90
·00-1	for incidents of child labor	i. child labor; ii. young workers exposed to hazardous work.	92)
		b. Operations and suppliers considered to have significant risk for incidents of child labor either in terms of:	
		i. type of operation (such as manufacturing plant) and supplier;ii. countries or geographic areas with operations and suppliers considered at risk.c. Measures taken by the organization in the reporting period intended to contribute to	
409 · F	Forced or Compulsory Labor	the effective abolition of child labor.	
109-1	Operations and suppliers at significant risk	a. Operations and suppliers considered to have significant risk for incidents of forced or	Compliance (Annual Reports p90
	for incidents of forced or compulsory labor	compulsory labor either in terms of: i. type of operation (such as manufacturing plant) and supplier;	92)
		ii. countries or geographic areas with operations and suppliers considered at risk.b. Measures taken by the organization in the reporting period intended to contribute to the elimination of all forms of forced or compulsory labor.	
1 10 : S	Security Practices		,
410-1	Security personnel trained in human rights policies or procedures	a. Percentage of security personnel who have received formal training in the organization's human rights policies or specific procedures and their application to security.	_
		b. Whether training requirements also apply to third-party organizations providing security personnel.	
	Rights of Indigenous Peoples		
11-1	Incidents of violations involving rights of indigenous peoples	a. Total number of identified incidents of violations involving the rights of indigenous peoples during the reporting period.b. Status of the incidents and actions taken with reference to the following:	Not applicable
		i. Incident reviewed by the organization;ii. Remediation plans being implemented;iii. Remediation plans that have been implemented, with results reviewed through	
		routine internal management review processes; iv. Incident no longer subject to action	
112 : F	Human Rights Assessment		
12-1	Operations that have been subject to human rights reviews or impact	a. Total number and percentage of operations that have been subject to human rights reviews or human rights impact assessments, by country.	_
412-2	assessments Employee training on human rights policies or procedures	a. Total number of hours in the reporting period devoted to training on human rights policies or procedures concerning aspects of human rights that are relevant to operations.	Social Activities (Hand in Hand with Employees)
		b. Percentage of employees trained during the reporting period in human rights policies or procedures concerning aspects of human rights that are relevant to operations.	

Significant investment agreements and contracts that include human rights clauses or that underwent human rights screening	a. Total number and percentage of significant investment agreements and contracts that include human rights clauses or that underwent human rights screening.	Social Activities (Hand in Hand with Employees)
1		
	b. The definition used for 'significant investment agreements'.	Value Creation Platform (Annual Reports P90-92)
ocal Communities		
Operations with local community engagement, impact assessments, and development programs	 a. Percentage of operations with implemented local community engagement, impact assessments, and/or development programs, including the use of: i. social impact assessments, including gender impact assessments, based on participatory processes; ii. environmental impact assessments and ongoing monitoring; iii. public disclosure of results of environmental and social impact assessments; iv. local community development programs based on local communities' needs; v. stakeholder engagement plans based on stakeholder mapping; vi. broad based local community consultation committees and processes that include 	
	vii. works councils, occupational health and safety committees and other worker representation bodies to deal with impacts;	
Operations with significant actual and potential negative impacts on local communities	a. Operations with significant actual and potential negative impacts on local communities, including: i. the location of the operations;	_
	ii. the significant actual and potential negative impacts of operations.	
New suppliers that were screened using social criteria	a. Percentage of new suppliers that were screened using social criteria.	Social Activities (Hand in Hand with Business Partners)
Negative social impacts in the supply chain and actions taken	a. Number of suppliers assessed for social impacts.	Social Activities (Hand in Hand with Business Partners)
	b. Number of suppliers identified as having significant actual and potential negative social impacts.c. Significant actual and potential negative social impacts identified in the supply chain.	
	 d. Percentage of suppliers identified as having significant actual and potential negative social impacts with which improvements were agreed upon as a result of assessment. e. Percentage of suppliers identified as having significant actual and potential negative social impacts with which relationships were terminated as a result of assessment, and why. 	
Public Policy		
Political contributions	a. Total monetary value of financial and in-kind political contributions made directly and indirectly by the organization by country and recipient/beneficiary.b. If applicable, how the monetary value of in-kind contributions was estimated.	
Customer Health and Safety		
Assessment of the health and safety impacts of product and service categories	a. Percentage of significant product and service categories for which health and safety impacts are assessed for improvement.	Responsible Care Activities (Product Stewardship / Product Safety / Quality Assurance)
Incidents of non-compliance concerning the health and safety impacts of products and services	 a. Total number of incidents of non-compliance with regulations and/or voluntary codes concerning the health and safety impacts of products and services within the reporting period, by: i. incidents of non-compliance with regulations resulting in a fine or penalty; ii. incidents of non-compliance with regulations resulting in a warning; iii. incidents of non-compliance with voluntary codes. b. If the organization has not identified any non-compliance with regulations and/or voluntary codes, a brief statement of this fact is sufficient. 	Responsible Care Activities (Product Stewardship / Product Safety / Quality Assurance)
Requirements for product and service information and labeling	 a. Whether each of the following types of information is required by the organization's procedures for product and service information and labeling: The sourcing of components of the product or service; Content, particularly with regard to substances that might produce an nvironmental or social impact; Safe use of the product or service; Disposal of the product and environmental or social impacts; Other (explain). Percentage of significant product or service categories covered by and assessed for 	Responsible Care Activities (Product Stewardship / Product Safety / Quality Assurance)
	engagement, impact assessments, and development programs Operations with significant actual and potential negative impacts on local communities Supplier Social Assessment New suppliers that were screened using social criteria Negative social impacts in the supply chain and actions taken Public Policy Political contributions Customer Health and Safety Assessment of the health and safety impacts of product and service categories Incidents of non-compliance concerning the health and safety impacts of products and services Marketing and Labeling Requirements for product and service	assessments, and/or development programs assessments, and/or development programs, including the use of: 1. social impact assessments, and/or development programs including the use of: 1. social impact assessments, and ongoing monitoring: iii. public disclosure of results of environmental and social impact assessments; iv. local community development programs based on local communities; v. stakeholder engagement plans based on stakeholder engagement being being social entire plans based on stakeholder engagement being social entire plans based on stakeholder engagement of bedie stakeholder engagement being social entire plans between the stakeholder engagement of bedie stakeholder engagement of bedie stakeholder engagement being social entire plans bedie entire plans based on stakeholder engagement of bedie stakeholder engagement bedie engagement

NO.	Disclosure	Reporting requirements	2018 Applicable item
417-2	Incidents of non-compliance concerning product and service information and labeling	 a. Total number of incidents of non-compliance with regulations and/or voluntary codes concerning product and service information and labeling, by: i. incidents of non-compliance with regulations resulting in a fine or penalty; ii. incidents of non-compliance with regulations resulting in a warning; iii. incidents of non-compliance with voluntary codes. b. If the organization has not identified any non-compliance with regulations and/or voluntary codes, a brief statement of this fact is sufficient. 	Responsible Care Activities (Product Stewardship / Product Safety / Quality Assurance)
417-3	Incidents of non-compliance concerning marketing communications	 a. Total number of incidents of non-compliance with regulations and/or voluntary codes concerning marketing communications, including advertising, promotion, and ponsorship, by: i. incidents of non-compliance with regulations resulting in a fine or penalty; ii. incidents of non-compliance with regulations resulting in a warning; iii. incidents of non-compliance with voluntary codes. b. If the organization has not identified any non-compliance with regulations and/or voluntary codes, a brief statement of this fact is sufficient. 	
418:0	Customer Privacy		
418-1	Substantiated complaints concerning breaches of customer privacy and losses of customer data	 a. Total number of substantiated complaints received concerning breaches of customer privacy, categorized by: complaints received from outside parties and substantiated by the organization; complaints from regulatory bodies. b. Total number of identified leaks, thefts, or losses of customer data. c. If the organization has not identified any substantiated complaints, a brief statement of this fact is sufficient 	
419 : 9	Socioeconomic Compliance		
419-1	Non-compliance with laws and regulations in the social and economic area	 a. Significant fines and non-monetary sanctions for non-compliance with laws and/or regulations in the social and economic area in terms of: total monetary value of significant fines; total number of non-monetary sanctions; cases brought through dispute resolution mechanisms. b. If the organization has not identified any non-compliance with laws and/or regulations, a brief statement of this fact is sufficient. c. The context against which significant fines and non-monetary sanctions were incurred. 	_
